He returns to the question of predication to defend the notion the existence does in fact refer, is a real predicate, and the proof relies upon the basic metaphysics of Mullā Ṣadrā: existence is ontologically fundamental, singular but modulated, and it can be directly intuited. .

Negli anni seguenti il peso dei movimenti fondamentalisti continuò a crescere e nel 1998 il Corano e la Sunna divennero legge suprema dello Stato. The first chapter traces the concept of the semantic idea of existence and its predication by modulation from Avicenna through to Mullā Ṣadrā and cites original texts to illustrate the points. The text of the Kāshif was reprinted many times: typeset in 1913 by Munshī Muhammad Nasīm Lucknow: Coronation Press , then edited by Vahhāb ul-Ashraf New Delhi: Taraqqī-yi Urdu Bureau, 1982 , and then reprinted New Delhi: Educational Publishing House, 1994, 2004.

Within South Asia, at least since the eighteenth century, reception of the works and thought of Mullā Ṣadrā has taken on different forms. Iqbal was the first to write about Mullā Ṣadrā in English and to bring his thought to the attention of modernists in South Asia and beyond. De Boer, Geschichte der Philosophie im Islam Stuttgart: Franz Frommans, 1901 , and then translated by Edward R.
