Pouésio dou Marqués Folcò de Baroncelli-Javon de Jousè d' Arbaud, d' Anfos Arnaud de Poussigue-Meyrel, d'Ivan Gaussem. He attempts to clarify its small puzzles and also trace the overall narrative line of Paul Valéry's poem: it does have a story what should a young woman do? Maintaining Baudelaire's complex view of sound and structure, Waldrop's translation mirrors the intricacy of the original without attempting to replicate its inimitable verse.
