In addition to his several translations, Gary Kern has also written a very enlightening introduction.

The Serapion Brothers: A Critical Anthology of Stories and Essays by Gary Kern; Christopher Collins

The Serapion Brothers or Serapion Fraternity, : Серапионовы Братья was a group of writers formed in , in 1921.

The Serapion Brothers: A Critical Anthology of Stories and Essays by Gary Kern; Christopher Collins

Her personal experience undoubtedly told in her advice: "Only when you have learned to speak from yourself, in an unconditional language, will you learn to invent your own conventional language, which is a manner that has the chance of becoming a style, for style is a strong personality plus a manner. Please feel free to request a detailed description. Lunts's concerns with his Jewish heritage are revealed in three stories written in a Biblical style that draw on separate episodes from the Jewish Bible the Old Testament , but give them a modern and even post-revolutionary slant.

Vol. 31, No. 110, FALL 1977 of Russian Language Journal / Русский язык on JSTOR

Maybe that's the reason why I have so many readers. A different purpose can be seen in each story, and a different approach to the short-story genre. The writings of the Serapion brothers.

The Serapion Brothers: A Critical Anthology of Stories and Essays by Gary Kern; Christopher Collins

He writes that they 'were impossible without the Revolution, either as a group, or separately. The anthology nonetheless is an important contribution to the study of the early period of Soviet literature.'

Serapion Brothers

He provided a survey of Russian literature from the point of view of the development of plot. That is why this edition receives a five star review: not only because of the critical apparatus but also because the flow of the translation is quite nice.
