

# Beam-solid interactions - fundamentals and applications : symposium held November 30-December 4, 1992, Boston, Massachusetts, U.S.A.

Materials Research Society - Applications of synchrotron radiation techniques to materials science V : symposium held November 29

Description: -

- Solids -- Effect of radiation on -- Congresses.  
Beam dynamics -- Congresses. Beam-solid interactions - fundamentals and applications : symposium held November 30-December 4, 1992, Boston, Massachusetts, U.S.A.

- v. 279.  
Materials Research Society symposia proceedings ;  
v. 279  
Materials Research Society symposium proceedings ; Beam-solid interactions - fundamentals and applications : symposium held November 30-December 4, 1992, Boston, Massachusetts, U.S.A.

Notes: Includes bibliographical references and indexes.

This edition was published in 1993
