Students will be able to access downloadable character practice worksheets along with interactive pronunciation, vocabulary and character practice exercises.

Wu & Yu, Chinese Link: Intermediate Chinese, Level 2/Part 2

Continuing Mandarin Chinese Textbook offers the following significant advantages over other similar textbooks: Everyday Chinese dialogues are used for listening and practice -- complete with vocabulary lists and questions and storylines based on actual everyday experiences in China Chinese grammar is explained in simple, non-technical terms with useful notes and tips given Reading exercises are provided for all new words and phrases in each lesson Free online audio recordings by native speakers from various parts of China help you not only acquire correct pronunciation but also to understand Chinese speakers who have different accents Illustrations and supplementary video clips add authenticity to the dialogues in the book A Chinese-English dictionary is provided at the back for easy reference Chinese characters and Pinyin Romanized forms are used throughout the book except for the reading exercises--so this book is usable by learners who wish to focus on learning the spoken language and do not necessarily want to learn to read and write Chinese. Part B is organised around language functions and situations such as: communication strategies, making comparisons, giving and seeking information etc. Each level of the course consists of a textbook and workbook in simplified Chinese.
