## Collected Maxims and Other Reflections

It keeps commerce going; we do not pay up because it is right for us to discharge our debt, but so that we can more easily find people who will lend to us. This reads like a critical edition. The author gave himself the following advice: 'The reader's best policy is to assume that none of these maxims is directed at him, and that he is the sole exception.'

## Collected Maxims and Other Reflections

The reviewers talk about LaR but not about this particular version of his works. No obvious damage to the cover, with the dust jacket if applicable included for hard covers. These consist mostly of one-line statements that, if the reader allows his brain to reflect on the thought in the maxims, the truth of it can't be denied.
