## LSP Letter to Heidi Alexander Deputy Mayor for Transport

Compared with 7% in the UK as a whole. One of them might be writing parliamentary candidates in your polling constituency right now. There is also a direct link with the Heart Failure service which is provided by the Imperial College Healthcare NHS Trust.

## LSP Letter to Heidi Alexander Deputy Mayor for Transport

The dispatcher will give you an estimate of how long you can expect to wait for the vehicle upon return trip.

## Kilburn Unemployed Workers Group — the Kwug Blog: Transport for All Newsletter

Club Membership £10 per year.

## The tunnel time forgot

Taxicard is for long term disabilities, lasting at least one year, not for short term problems such as broken legs etc. DOOR TO DOOR Door to Door service complements the existing transit system by providing transportation to people who are unable to utilize our local flex route bus service. The wait got tiresome some time ago.

## Our Door to Door Service

HHH can now help disabled and elderly people from the rural areas to get out, often to keep essential appointments.

## Find Door To Door Van Service Transportation

Communities 1st are a charity that operates across Hertsmere and St Albans districts. Black taxis are one of the oldest and most instantly

recognisable icons of London transport and, together with private hire vehicles, form a vital part of the public transport network for both visitors to, and residents of, the city. Nineteen per cent of disabled Londoners report having more than one impairment.
