By contractual Sorokin meant behavior that was narrow, utilitarian, businesslike.

Making the World for Woodrow Wilson Asks for War

It is defined as a state of law or civil government, a state of justice or goodness, a balance or equilibrium of Powers. The worse the situation, the more they'll be prepared to offer, or in the other case, the more they'll demand from you to end the war. I could pretty much name and date them all off the top of my head, and there was also, what then seemed to me, the more numerous law material to get to grips with, so, initially, I made no effort to compile a list.

Medieval war

He assumed that American ways of doing things were the correct way and that the peace should be based on American principles.... Also, be wary when signing one with a civilization that may be attacked during the duration of the treaty. The Revolutionary War Memoirs of General Henry Lee.

First in War, First in Peace, and First in the Hearts of His Countrymen · George Washington's Mount Vernon

This was proof enough for the Eisenhower administration. Enacted in June 1952, the Agrarian Reform Law empowered the government to expropriate uncultivated portions of large plantations greater than 223 acres , to be paid for through 25-year bonds bearing three percent interest.

War And Peace Quotes (77 quotes)

So began the transfer of British influence to American control over the Greek government.

Making the World for Woodrow Wilson Asks for War

Second, peace stands in clear theoretical and substantive relationship to such important concepts as perception, situation, expectations, interests, capabilities, will, power, status, class, and behavior. For example, they could examine Francisco Villa's 1916 raid on Columbus, New Mexico, to learn how it contributed to Wilson's order to invade Mexico.

Steam Workshop::Make Peace, Not War

While this may seem clear enough, there is an intellectual trap to avoid here--that of always viewing collective social contracts as necessarily constructed, designed, or the explicit and conscious outcome of a rational process of negotiation. So I thought I had lost it.

Emilio Aguinaldo

Thereafter it aligned with China, patched up an old quarrel with neighboring Yugoslavia, and made overtures to the West, asserting its neutrality in the Cold War.
