## BIS Records

Once again, one has to admire the richness of music life in Finland. Finnish and international artists will bring memorable chamber music experiences to the Finnish capital, delighting all friends of urban summer events at a wide variety of venues in the historic surroundings and downtown districts of the city, and focusing particularly on its unique art nouveau concert halls.

## Finnish Woodwind Chamber Music

So this bird thing came as a help, because I needed something softer in it.

## Kai Nieminen

If you listen to the first movement of my clarinet concerto on the Naxos CD, you will hear the same theme Dickinson poem is so good that it becomes quite a lot of the piece.

## BIS Records

To some extent this was always so. You know the famous Giorgione painting, La tempesta , in the Accademia in Venice? The best way to experience Finnish culture is to become a part of it.

## Culture and music in Finland, Kuhmo

Even so, it took many decades for the work to become firmly established in the repertory. All recordings were made between 1999-2001 live at the famed Kuhmo Chamber Music Festival.
