University Resource Allocation: Linear Programming

Represents actual revenue and expenditures posted.

Vol. 55, No. 6, Nov.

D Differential Tuition New law signed June 1, 2009 permits Florida schools to seek tuition increases up to 15 percent every year until they reach the national average. In Fall or Spring term, one FTE is equivalent to 15 credit hours at the undergraduate level or to 12 credit hours at the graduate level. Observe the current system in operation and gather and analyze information about each of the parts of component problems, using a variety of sources.

Home

The revenue from this fee shall be used to enhance instructional technology resources for students and faculty. .

Higher education

The messages that are disseminated are consistent with the University brand and support building its reputation. Release Refers to the release of funds to the University. Student Activity Budget Budget entity whose source of funds is the activity and service fee assessed to students on a per credit hour basis.

Higher Education

It builds and enhances ongoing activities which connect students to the institution and provides funding to offset the costs for students with financial need. During the planning period, the institution has a certain amount of resources of each type. SUS operates on this basis.
