**Feeding and fueling China in the 21st century**

The women leaders felt that they can only advance their interests if they have political

education and training to increase their individual and communal capacity for community enterprises. Plans for the redevelopment of the area on the east side of the market place were put in hand in 1985 when the district council invited proposals. Motor buses to Hanley, Ashbourne, Cheadle, and Buxton were introduced soon after the First World War.
