## A Companion to Aristotle on Apple Books

If you are new to studying philosophy, I suggest you start with this Cambridge Companion or the one on Plato. Tracie Peterson is both prolific and much-loved.

## A Companion to Aristotle by Georgios Anagnostopoulos

These factors are what most distinguish this volume from those in the competing series. The Blackwell Companion to Aristotle provides in-depth studies of the main themes of Aristotle's thought, from art to zoology. Some chapters have extensive notes qualifying claims made in the text or referring to comparative treatments by other scholars while others have no notes at all or just supply simple citations.

## A Companion to Aristotle by Georgios Anagnostopoulos

Having given her heart to Jesus at the young age of six, Tracie has always felt called to some form of ministry, and writing fulfills that mission field. This is the best introduction to one of the most - if not the most - important philosophers in human history. Comment: PRIME ELIGIBLE: Ships in 2 days with a PRIME account.

## A Companion to Aristotle by Georgios Anagnostopoulos

For students with a desire for more advanced essays on Aristotle, I can heartily recommend The Oxford Handbook of Aristotle ed. These are the two most important philosophers in Western civilization, and in my view - and depending on your viewpoint - world history and civilization.
