The of such experiments caused African American intellectuals to look on their African heritage with new eyes and in many cases with a desire to reconnect with a heritage long despised or misunderstood by both whites and Blacks. Sonatina Festival is not a normal common festival, it is a competition for first, second, and third place. It is a God gift to me which I ever use for my wellness and always instructs others to take help of the music.

**Art song**

He finally decides to write him. He remarks that Sonny and his father never had a good relationship because they were too much alike; they were both very private men.

**Harlem Renaissance**

Parker, who was nicknamed Bird, was known for experimental solos and, like Sonny, for a crippling heroin addiction, one that ultimately killed him. The first step taken in approaching the idea of playing the piano is in the way you position yourself.

**101 Compare and Contrast Essay Ideas for Students**

The narrator rejects outright his passion for music and his desire to leave Harlem.
