### **What did Nishimiya say in the bridge scene? : KoeNoKatachi**

I don't think I can get HE for senpai if I don't use a guide. Through her hidden passion, Yotarou is drawn to Sukeroku's unique style of Rakugo despite learning under contrasting techniques. Shouwa Rakugo may only be thirteen episodes long, but it covers a period of years and decades, a turbulent series of ups and downs, much as life is itself.

### **Honoka Shirahama**

Japan's rise from the devastation of to prominence in the post- decades has been regarded as the trigger for what has been called a new.

### **Shouwa Genroku Rakugo Shinjuu (Showa Genroku Rakugo Shinju)**

Surprisingly, never once does any of this clash inappropriately, rather works in tandem to heighten the atmosphere, mood, and give full depth to the setting that contains it all.

Redditbooru and Imgur are recommended.

### **What did Nishimiya say in the bridge scene? : KoeNoKatachi**

Both characters are perfect complements of each other and really play off one another to add dimension to overall characterization, and each other. Like I said, it's simply poetry, a dance between what is shown and what is truly meant to be seen, or rather what is meant to be uncovered. Another aspect that is prevalent in the anime is drama: it was depicted in a subtle manner, without exaggerating it, making it much easier to digest and enjoy.
