Notes: Includes bibliographies and index.
This edition was published in 1989

Eldon Jay Epp (born November 1, 1930), American Religion educator

This list of significant contributors, long as it is, represents only a small portion of the

highly influential scholars who have shaped NT studies over the centuries. . Theology, and especially biblical interpretation, may not avoid taking into serious consideration the historical conditions that the books of the Old and the New Testaments presuppose, if it does not wish to deviate towards a type of Gnosticism.

SBL Publications

Dodd emphasized and Dodd overemphasized the reality of the present kingdom in the ministry of Jesus, and when the Chester Beatty papyri were published and brought new life to textual criticism.

Basil the Great, Liber de Spiritu Sancto 1,2, in: PG 32, 67-218: 69; Engl.

David L. Barr, Book Review: The New Testament and Its Modern Interpreters

Career Special research assistant, Princeton Theological Seminary, 1961-1962; visiting instructor, Drew U.

SBL Publications

In the name of this spirit of freedom in Christ, we should consider the persistent attempt to preserve the letter, rather than the spirit of patristic interpretation as offering poor service to the people of God.
