Shame and Grace: Healing the Shame We Don't Deserve by Lewis B. Smedes

Does the Christian Gospel offer anything for shame? He employs a constructive, ethical, cultural, religious, contextual, and theological approach that explores important Igbo religious paradigms like Chi an Igbo religio-cultural understanding of personal destiny and Ani the feminine deity in-charge of the land and fertility to argue the case for the liberation and integration of infertile couples. But being graceful is no fun anyway.

Shame and Grace: Healing the Shame We... book by Lewis B. Smedes

As you flip through these pages, you will find biblical truth about the way God sees and loves us despite our sin and our shame. The volume explores Nobel laureate Amartya Sen's contention that shame lies at the absolutist core of poverty. She illustrates the ways shame-laden leaders interact with congregations and ways congregational shame influences clergy and laity within the system.

Shame and Grace: Healing the Shame We Don't Deserve

This ain't your papa or mama's grace - this is grace straight from the Kingdom of God as it has been operating throughout all of eternity. Shame is a poison that has kept many of us from living a life of freedom.

Shame and Grace: Healing the Shame We Don't Deserve

Smedes examines why and how we feel shame, and presents a profound, spiritual plan for healing. Drawing on literature from many disciplines and original research, it reveals that the pain of poverty extends beyond material hardship.

Shame and Grace : Healing the Shame We Don't Deserve by Lewis B. Smedes (1993, Hardcover) for sale online

Where others had dealt with the subject very effectively and I had already recognized it in my life, Smedes brings in the spiritual aspect without

becoming preachy that would have been a total turnoff for me. Are you considered a prodigal son, or know someone who is? We may be shamed by ourselves, our family, our church or our society. Their distinct occupation is to keep you seeing yourself as a sinner saved by grace rather than as a son seated next to the throne of grace.
