### What are the no deposit options for landlords and tenants?

Scraping security deposits as a pre-requirement and returning deposits to current residents is yet another step we are taking to show we are firmly on the side of renters. A recent YouGov survey revealed that 43% of tenants currently in rented accommodation would prefer to see classic tenancy deposits scrapped, and instead have the option of taking out deposit protection insurance.

### The Truth About Renting From Private Landlords

It is important for landlords to be flexible and have a frank and open conversation with their tenants at the earliest opportunity, to allow both parties to agree a sensible way forward.

### FAQs

If you let your property out as furnished then you should look at getting the right level of contents insurance.
