. Yet consultants are continually under pressure, and their status must be earned at every step of the process. This book has also been published in.

### Fearless Consulting

Drawing on inspirations from diverse sources including history, tragedy, philosophy and of course consultants themselves, Erik de Haan asks you to think about what it means to be a consultant and the dilemmas it can entail. Before joining Ashridge Consulting in 2002, he studied Theoretical Physics in Amsterdam,gained his PhD in Utrecht with his research into learning and decision-making processes in perception 1994 , and worked for several consultancies in The Netherlands.

### Fearless Consulting: Temptations, Risks and Limits of the Profession

The Dutch edition of his book Learning with Colleagues has been a bestseller in the Netherlands and he has also written a book on the importance of Shakespeare's King Lear for managers. They are tempted by flattery and over-assessment of their abilities, and run the risks of uncertainty, responsibility without authority and loss of control.
