Sir Chettur Sankaran Nair was a well known public figure at the beginning of the 20th century.

"Gandhi and Anarchy" by C Sankaran Nair

There are still many roads bearing names of the house — Lynwood avenue — and of the children of Sir and Lady Nair — Palat Narayani Amma road, Palat Sankaran Nair road, Palat Madhavan Nair road. I had watched a BBC programme years ago which showed how tax collection went up a hundred fold all over India.

Sir Chettur Sankaran Nair

This behaviour KumKum says has been observed in many Malayalees, including her own husband, his paternal cousins and forebears.

Biography of Eminent Nairs

We shall continue on to do the same with the other two villains before they all converge to a fateful day and later flare out in separation, to a conclusion. Then he joined the Presidency College, Madras. The case is an interesting study by itself and I will therefore not talk too much about it, but just that it was stilted against Nair all the way.
