### Ministry of Public Service

However, these suggestions ignore financial issues and miss a foundational point. Department of Transportation reported that public transportation school, intercity, transit bus, light rail transit, and subway accounted for less than one percent of transportation fatalities in 2011, while private passenger vehicles accounted for more than 75 percent of transportation fatalities.

### Public Transportation System: Introduction or Expansion

A Morning Stroll: Levels of Physical Activity in Car and Mass Transit Commuting. Transportation systems help ensure that people can reach everyday destinations, such as jobs, schools, healthy food outlets and healthcare facilities, safely and reliably.

### Department's organisation chart

The Government agrees with the recommendation, noting this is already undertaken and led by the agency relocating. The Regional Education Package builds on a range of measures announced in response to the IRRRRE.

### Secretary of State for Transport

The targeted assessment process will consider a regional development framework, the most appropriate mechanisms for local collaboration and partnerships, as well as reviewing Commonwealth investment and how this could better support strategic regional growth.

### School Crossing Supervisor

The office used to be called the Minister of Transport and has been merged with the at various times. Census Bureau, in 2013 approximately 86 percent of all workers traveled to work by private vehicle, and 76 percent drove alone. In response to the Review, the Government implemented a

range of reforms that strengthen the focus of RDA Committee activities under a new National RDA Charter aimed at boosting local jobs and innovation, attracting investment and stimulating economic growth.

### **Local government in 2020: challenges and opportunities**

Work is being done to assess additional opportunities with further announcements expected in 2019.

### **The Government of the Region — Région bruxelloise**

The Decentralisation Agenda forms part of the Government's commitment to promote economic activity in Australia's regions to ensure all of Australia benefits from our growing economy and employment opportunities.

### **Our priorities**

Select Committee on Regional Development and Decentralisation Inquiry into Regional Development and Decentralisation Australian Government's Response to the Committee's Recommendations Recommendation 1 The Committee recommends that the Federal Government increase its investment in building enabling infrastructure to improve connectivity, key services and amenity through coordinated regional plans. The Government is committed to improving government service delivery through closer proximity to citizens and stakeholders.
