THE MERGING OF KNOWLEDGE PEOPLE IN POVERTY AND ACADEMICS THINKING TOGETHER

The role of the discussion facilitators is also to help the academics and professionals understand the validity of the rhythm and the time necessary for the Merging of Knowledge and Practices© and the need to not by-pass certain stages. The Merging of Knowledge and Practices© approach was used in the context of the , the report of which was published in February 2015. Then when the group has chosen a subject to examine more deeply, we expand to add another group of people with different insight and experiences of that subject into the conversation.

THE MERGING OF KNOWLEDGE PEOPLE IN POVERTY AND ACADEMICS THINKING TOGETHER

Cite this chapter as: Godinot X. The approach, co-constructed as part of a partnership between ATD Fourth World and academic and professional institutions, is based on a rigorous methodology. They might not have the same way of speaking or thinking, the same life experiences, or the same perspectives on the issues at hand.

THE MERGING OF KNOWLEDGE PEOPLE IN POVERTY AND ACADEMICS THINKING TOGETHER

It is a process of cross-fertilization that involves all participants in the process and that allows them to share the elements necessary to produce and transform their own knowledge.
