### Face the Facts

This one is a motherdaughter makeover!!! You have to be with someone for 10 minutes to catch the virus. The longer someone is with an infected person, the more likely they are to catch the virus, but it is still possible to catch it in less than 10 minutes. Today I saw this beautiful 55 year old patient of mine 4 months after her Plastic Surgery.

### "Face the Facts" with four first

This is why he has gone on over twenty plastic surgery missions to poor countries around the world and provided free cleft lip and surgery for birth defects to over 500 children. The lip falls with age and the upper lip becomes too long making the face look older.

COVID-19 is just like the flu COVID-19

causes illness that does, indeed, have flu-like symptoms, such as aches, fever, and cough. Cloris was bursting with energy, an all-encompassing joyful, creative, and sometimes infuriating energy that certainly made her larger than life.

She was not rude to me but forceful and insistent.

#### **Halyard Dental**

Many of my patients as they approach their early forties want to rejuvenate their appearance and do not want to wait till they get older and want to reset a youthful appearance for the next 10 plus years!! As we have mentioned above, COVID-19 is only fatal for a small percentage of people.
