## Tournaments

Since Robinson had sold exclusive rights to any retirement story to magazine two years previously, his retirement decision was revealed through the magazine, instead of through the Dodgers organization.

## **Tournaments**

Includes a segment about a trip by present day Native Americans to honor the Anishinabe of Michigan who died at Andersonville Prison. I believe photography really shows it's true beauty. While awaiting results of hospital tests on the ankle he had injured in junior college, Robinson boarded an Army bus with a fellow officer's wife; although the Army had commissioned its own unsegregated bus line, the bus driver ordered Robinson to move to the back of the bus.
