**Biological and Chemical Terrorism: Strategic Plan for Preparedness and Response**

Another issue is asymmetric warfare. Copy in 6-IIA, Folder 6, 1993.

**Biological weapon**

China: China has a mature chemical warfare capability, including ballistic missiles. Motivated primarily by non-BW controversies plight of Soviet scientists, boycotting, for purposes of ASM meetings, states which have not ratified ERA, etc. The text of the CWC does not give always an unambiguous answer or definition what is a chemical weapon agent.

**Feasibility of Biological Warfare Against Public Water Supplies on JSTOR**

Evidence exists for deliberate use of microorganisms and toxins as bioweapons throughout history.

**Vaccines in civilian defense against bioterrorism**

Filesize: 8.25 MB

All parties must cooperate with investigations that may be initiated by the Security Council. The schedule for administration is 0, 2, and 4 weeks and 6, 12, and 18 months.

## **Feasibility of Biological Warfare Against Public Water Supplies on JSTOR**

During meeting Committee reviewed welfare problems before and after an attack, including emergency shelters, food supply, emergency mass feeding, personal identification, notification of next-of-kin, and post-disaster legislation.

### **Vaccines in civilian defense against bioterrorism**

Concerns over the Soviet Union were justified, for the Soviet Union would pronounce in 1956 that chemical and biological weapons would, indeed, be used for mass destruction in future wars. Floors become contaminated from equipment wheels also going in and out of infectious areas. Some international organizations consider Napalm, its trade name, to be a chemical weapon, others put it on equal level with flame throwers, and consequently not falling under any of the articles of the CWC.

### **8 Tips for Surviving Biological Warfare**

Once the contaminating agent is Identified, the best course of decontamination, therapeutic, and preventive measures will be chosen. Ground was broken in 1967 for construction of a new, modern laboratory building at Fort Detrick.

### **Khamenei: 'There Is Evidence' Coronavirus 'a Biological Attack'**

Harris, Information Services, DCPA, February 7, 1975, with the help of Carol Wanner, White House Office Library, formerly the library of Office of Emergency Preparedness and predecessor agencies, including the National Security Resources Board NSRB and the Office for Emergency Management, Executive Office of the President, within which the World War II Office of Civilian Defense was established. Are chemicals still material of weapons if they are used in very low concentrations? McCarthy, US House of Representatives. Hearings were concluded August 27, 1963.
