Coronavirus and the impact on the UK travel and tourism industry

For examples, see our website on and the website. Users of the data reported that these figures were likely to be substantial underestimates. Please update this article to reflect recent events or newly available information.

Coronavirus and the impact on the UK travel and tourism industry

The purpose of their trip can be for business, leisure or personal reasons, other than to be employed by a resident entity in the country or place visited. You should also use these numbers to report security threats or suspicious packages.

Travel trends

The estimates presented in this article were produced using the new estimation method. The value of visitor spending in 2021 is forecast to be £3. This is a notable reversal and suggests that the loss of international tourism has been felt most severely in the capital.

Tourism in the United Kingdom

Types of tourism There are three basic forms of tourism: domestic tourism, inbound tourism, and outbound tourism. The full 2020 results are therefore based on administrative sources and modelling.
