Child Care and Development Fund (CCDF) Plan

Emergency contact information must be posted and accessible to relevant staff if applicable.

Child Care and Development Fund State Plan

The monitoring report provides space for the provider to disagree with findings. As a condition of eligibility to receive a state subsidy for providing child care services to eligible families, all license exempt child care providers, except a provider who is a relative of the child, shall complete and sign authorizations for a State and Federal Bureau of Investigation fingerprint-based criminal history record check and submit to fingerprinting, if required, to determine if the childcare provider has prior criminal convictions. Identifies targeted areas for recruitment, implement strategies and tools designed to increase child care resources in the Service Delivery Area and updates provider data to ascertain vacancies and fees.

Child Care and Development Fund State Plan

Note: Federal requirements allow other vulnerable children identified by the Lead Agency not formally in child protection to be included in the Lead Agency's definition of protective services for CCDF purposes.
