## Comparison Theory

Illegal Migration to the United States: Recent Research Findings, Policy Implications, and Research Priorities.

## Syrian Refugee Crisis and Foreign Policy Decision

AVDET Search and Rescue was on-going but of note was the launch of two HH-3Fs and one HH-52 helicopters in darkness in the early morning hours of 17 May when a 30-foot vessel carrying fifty-two Cuban refugees grounded and sank on a coral reef south of Key West.

**1980**

Some in the border communities reacted with hostility to the newcomers and the situation was getting explosive. Venezuelan President Hugo Chavez signs an agreement with Castro allowing Venezuela to send oil to Cuba at a heavy discount in return for Cuban support in education, health care, science, and technology.

## Untitled1

INS, for example, operates from a definition focused almost entirely on the difficulties of processing and control, the hardship an influx of migrants might bring to American residents, and the question of legal status in other words, a border enforcement point of view.

**US**

This paper relies on the statistics issued by ICEM at the time of the airlift.

## Decision and Structure by Mario A. Rivera

## **Comparison Theory**

Controls were gradually put in place, coinciding with the opening of the Za'atari refugee camp in July 2012, until border closures became more prominent since mid-2013. Coordinator's office to the extent possible, despite its lack of experience or expertise in working with the large number of federal, state, local, and private entities involved.
