## Water governance: federal policy and legislation

All in all, this affects the way we see society, it establishes in many subtle ways the cultural outlook we have. A reduction in foreign ownership limit may reduce foreign investment, but it can help boost revenue for domestic firms and economic development.

## Culture of Canada

Okay, I have just deleted two paragraphs that were a political rave. At the most, in some circumstances, they can be allowed only in low concentrations. This distinction is most explicit in Quebec, but also plays a key role in political, social, and cultural contentions in Ontario.

## Canada: A Settler State Not a Colony

That may have an adverse impact on.

## Foreign Investment

Why: Well, we have footed the bill for there National Defense for quite some time or Defence, if it makes you feel better We do the job, so why should they use there tax dollars for a large military.
