Hans Coper at Maak Contemporary Ceramics

Neither Weschler's nor the consignor makes any express or implied warranty or representation as to the condition of any lot offered for sale, and no statement made at any time, whether oral or written, shall constitute such a warranty or representation. Recorded as being sold as last arranged in the Berkeley Street building, it had by then lost any semblance of its original composition, as well as two of its component parts.

Lucie Rie & Hans Coper

Saucer unmarked A conical stoneware beaker with fine sgraffito decoration through a manganese glaze and a similar saucer with a fine sgraffito line around the rim Beaker 6. After much thought and talk to Anthony Blee, we decided to ask Hans Coper to do them in pottery … My aim was a strong robust object about seven feet tall, in scale with the huge concrete altar. HANS COPER, , CIRCA 1970.

Hans Coper

One of the leading tendencies in sculpture of the period was the appropriation of the qualities of architecture, so that sculpture itself became a kind of architecture. .

Hans Coper: Poetry in Pottery

The earlier of the mural schemes is probably that for Swinton Technical High School near Rotherham, a new school by Robert Matthew Johnson-Marshall built using the CLASP system of pre-fabricated and standardised components.
