DFG

For its first few centuries, it was concentrated to the east of the Euphrates, before it began spreading west into northern Syria towards the footsteps of the Taurus Mountains. On arrival, the archaeologists discovered that since 1899 locals had uncovered some of the findings and heavily damaged them — in part out of superstition, in part to gain valuable building material. Abenteuer Orient - Max von Oppenheim und seine Entdeckung des Tell Halaf German.

ANE TODAY

After reunification, the Masterplan Museumsinsel of 1999 brought up the idea of having the Western Palace front from Tell Halaf restored.

3D Printable Tell Halaf

Substantial amounts of equipment were imported from Germany, including a small steam train. Rudolf Meyer, Arthur Ungnad et al.

Hittite Monuments

Heated to over 900°C, the basalt monuments shattered into thousands of pieces. An emergency list of endangered artworks was released Wednesday at the Metropolitan Museum of Art in New York. Vorbericht über die erste und zweite Grabungskampagne German , Harrasowitz, Wiesbaden 2009.
