The Supreme Command, 1914

He even visited in 1945.

Dumb donkeys or cunning foxes? Learning in the British and German armies during the Great War

The strain on the resources necessary for the accomplishment of 'COCKADE' was to some extent eased by the decision reached in August to postpone operation 'TINDALL' until November. The latter was developed as the 'RHINO' ferry, composed of a number of joined pontoons propelled by out-board motors—particularly adapted for the landing of M. For eight years now, Dwight Eisenhower has neither commanded an army nor led a nation; and yet he remained through his final days the world's most admired and respected man, truly the first citizen of the world.
