Silicon Snake Oil: Second Thoughts on the Information Highway

. An ultra-high margin product where most budget spend is in marketing and promotion. The number of open access journals is rapidly increasing and some open access publications are even being purchased by traditional publishers.

Magic wax coating promises to keep iPad and iPhone touchscreens smear

Meredith Orlowsk i UC Donald C. In Florida, no less they ran the AC.

"Biocashflow" wristbands

I might add that his post very eloquently made the argument I was awkwardly groping for throughout the thread. The person says that at times of the day the street is blocked with SUVs and mini vans dropping off and picking up kids. We repeatedly told activists - 'don't waste your time trying to persuade somebody on the doorstep - if they're arguing with you they probably won't be voting for you, get a VI and skedaddle' or words to that effect.

Nurse Versus Machine: Slaves or Masters of Technology ?

But surely there are better products to promote? Yes, the Internet provides access to plenty ofservices, but useful information is virtually impossible to find and difficultto access. Amy Koshoffer worked very diligently to coordinate Leslie as a speaker. After opening words were said and everyone had his fill of the free flowing food and beer, it was time to head to the North Shore.
