We strive to provide individuals with disabilities equal access to our website.

Delivering value to customers

This can either come from established organisations or from start-ups. The client is mature in manufacturing operations, thanks to a five-year WCOM World Class Operations Management program but, was experiencing a low market share and thereby uncaptured margin potential in the pilot market for its main product domain worldwide. In order for non-cash rewards to have an impact, employees must make enough money to meet their basic needs.

Summary chapter 7 Customer

Slater and John C Narver Thinking in terms of the market not marketing is essential in the highiy competitive arenas of today, o achieve superior performance, a business must develop and sustain competitive advantage.
