15 Dover Little Sticker Activity Books: Sticker Paper Dolls and Activity

A nice embellishment for kids' cards, posters, and notepads.

Glitter Fantasy Butterflies Stickers

The stickers will add a touch of sweetness to letters, journals, cell phones, and other flat surfaces. Temporary tattoo books feature baby animals, butterflies, dinosaurs, Celtic designs, holiday images, bugs, hearts, and more. An assortment of 24 cheery bugs includes bees perched on leaves and flowers, circling the hive, and in other perky poses.

Bee Happy! Stickers

These colorful stickers are perfect for fun at home; school; or on the go! There's a buzz about bees these days, and these adorable stickers capture all the fun! Plus, each is sprinkled with glitter so these

butterflies really shine. There's a bushy evergreen on the inside cover and 40 reusable stickers to decorate your tree: shiny ornaments, peppermint canes, snowflakes, a toy trumpet, a gingerbread man, a nutcracker, an angel, a lollipop, a top, candles, a star for the top, and more.

Very minimal wear and tear.

15 Dover Little Sticker Activity Books: Sticker Paper Dolls and Activity

I'm the oldest of several sisters and when we were young I used to make little activity books and pages for them to color. Plus, there is a variety of specialized series including AddUps, Flip Outs, Make a Masterpiece, and more. The most beautiful species just might be these fantasy flyers, featuring wings with abstract shapes and more colors than Mother Nature has in her paint box.
