Basic Buddhist Teachings

We are born, grow old, get sick and die. We become sad when we cannot get what we want or when we lose something that we prize, or a loved one dies. No matter how good or how much we receive, we never seem to have enough.

Buddhist Sutra

Karuna refers to active sympathy and gentle affection, a willingness to bear the pain of others, and possibly pity. He attached too much importance to the building of the moral character and laid down various principles for the purpose.

Buddhism: Basic Beliefs

According to this law, the present is determined by past actions. He will walk in the right path.

Teachings Or Doctrines Of Buddhism

Instead, he taught people how to realize enlightenment for themselves.

Introduction to Basic Beliefs and Tenets of Buddhism

The masterpieces of Stupas have attracted many tourists.

Teachings of the Buddha

Considering himself to have made significant Spiritual Progress and that he now had some Buddha teachings that he thought important to share with others Siddhartha journeyed on foot over one hundred miles to Benares. According to these texts, the Nirvana has both the negative and positive sides. Worshipers developed it in Sri Lanka and then started spreading to the rest of the world.

Buddhism: Basic Beliefs

There is neither reality nor unreality, only relativity.
