New Zealand apologizes for historic raids on Pacific people

While apology exchanges divided equally between those which used a combination of strategies and those where a single strategy sufficed, almost all apology exchanges involved an explicit apology.

Apologies in the History of English: Evidence from the Corpus of Historical American English (COHA)

Cambridge University Press is committed by its charter to disseminate knowledge as widely as possible across the globe. The raids often took place very early in the morning or late at night and were routinely severe with demeaning verbal and physical treatment. People who did not look like white New Zealanders were told they should carry identification to prove they were not overstayers and were often randomly stopped in the street, or even at schools or churches.

New Zealand apologizes for historic raids on Pacific people

Research on Language and Social Interaction, 37 3 , 291—330. Ardern said that while the raids took place almost 50 years ago, their legacy continued. Relations in public: Microstudies of the public order.

NZ pledges Pacific healing from apology

Accessed through the Dependency Databank at the English Department, University of Zurich. Non-canonical speech acts in the history of English.
